SPRINGDALE – UT - 84767**

**435-772-0400 (phone) 435-772-0500 (fax) info@zioncycles.com**

**SHIPPING WAIVER**

\_\_\_\_An initialed and signed waiver from the owner of the bicycle / property being shipped is required prior to shipping from Zion Cycles LLC.

\_\_\_\_I understand that a bicycle can be damaged during shipping regardless of packaging and preventative steps taken by Zion Cycles LLC.

\_\_\_\_I do not hold Zion Cycles LLC responsible for any damage or loss as the result of shipping, to a bicycle, part, accessory, or personal belonging packed within the box containing the owners bicycle.

\_\_\_\_I understand that shipping in a standard cardboard “bike box” may not allow sufficient space for packing insulation to satisfy UPS, FEDEX, or DHL requirements in order to file an insurance claim for damages.

\_\_\_\_I understand that most standard bike boxing does not meet the packing or insulation requirements from most shippers, even as received from the original manufacturer.

\_\_\_\_I accept that Zion Cycles LLC bicycle boxing service is at or above what is standard packaging in the “bicycle industry “. Drop out protectors in fork, plastic axle caps, F. disc rotor removed if necessary, F. disc caliper removed if necessary, tubes, fork legs, shifters, brake levers, handle bar, stem, and R. shock wrapped, handlebar removed and secured, F. wheel secured, pedals removed, seat post and saddle wrapped and secured. Pedals, F. skewer, water bottle cage, computer, etc. packaged and secured.

\_\_\_\_I agree and accept that any claim filed for damages or losses with any shipping company will be the sole responsibility of the bicycles’ owner to handle and pursue.

\_\_\_\_I understand and accept the guidelines, requirements, and charges stated by Zion Cycles LLC.
